

Tauhoa School Tattler 2022

Issue # 6 April 4th
Learning to Live, Living to Learn

Te Hekenga and Joey from Cleasby have been reading about making pizzas as part of Reading Recovery. So they made their own delicious pizzas to share with their class. Awesome job boys!

Ngā mihi o te tau hou.

Next week we are finally, due to covid restrictions lifting, being able to farewell Denice Pride from our school. Denice will have touched the lives of many people in our community. She was here at Tauhoa for over 20 years and I am sure many of you will want to come and be part of our farewell.

We will also say farewell to Jason Morse, the man of many hats. Jason leaves us with his family after 5 years to live in Taupo.

Please RSVP we can still only have a maximum number of people in the hall.

We are also asking our community to help cater our afternoon tea with a small plate of food to share.

Devonshire Tea Fundraising: Good Friday 15th April

This has become a major fundraiser and a jolly fun time for those of us who help at this event.

It is an opportunity for us to gain funds from all the out of town travellers headed north. Helped by Transit NZ asking people to go State Highway 16 instead of 1, we find we now have returning customers who come to our event.

How can you make it successful? By baking, providing produce to sell and coming and lending a hand serving our customers on the day.

A form for this event is attached.

Buses

A reminder this is the site to look at if you need to see information about our bus service

Our bus website is <https://rodney.eas due to bus driver shortages due to sybus.nz/tauhooa-school/>

The emergency routes are found here:

<https://rodney.easybus.nz/emergency-route-operations/>

It might be a good idea to check this page regularly

Netball

Practices are being organised, uniform skirts are purchased, and we now, (Will know before our girls' trial for Wellsford), May even have a team in the year 7 & 8 competition! Please can you make sure players have good netball shoes.

ICT Contracts

These must be returned for students to be using these from term 2 onwards. (9 from Atiu, 7 from Cleasby and 5 from Hoteo are yet to return their forms

Covid

So far *most* of our cases have been when our students have isolated with family at home.

Isolation is now for 7 days. This will allow for the least amount of disruption in school. Once day 7 has arrived with a negative test they may come back to school. Remember symptoms will hang around, so the negative test is the most important part!

Please let me know if you are isolated at home or if your child is positive. I have to notify the Ministry of Education every day of our numbers. Auckland cases seem to be trending downwards, Northland upwards. They say we will have another peak in May.

Parent, Pupil, Teacher Interviews

These are scheduled for Wednesday 13th April from 3 pm to 5 pm and Thursday 14th April from 3 pm to 7-30pm. They are 20 minutes long. Please book these through the Skool Loop App.

PLEASE NOTE: As we have the farewell to Denice on Wednesday, if we do not have more bookings we will transfer those on a Wednesday to Thursday afternoon. So far we only have 14 students with appointments.

As the name indicates that these meetings put our students central to the discussions.

Over the past few years, we have worked to develop more kanohi ki te kanohi, face to face time with parents and students. We believe this is the best way for us to have great conversations about our students and their learning. Please take time to book one of these with your child and their teacher/teachers.

Rodney Rural School Events

With the change in 'management', we let the notice for blanket permission to attend these events slip by. Today it is with your tattler. Parents in the past decided that having the one to cover all these events was easier than having repeated slips for Skool Loop notifications come home.

Please sign and return.

Dental Clinic

I have spoken to the dental service, they cannot operate safely in a covid situation. We are on top of the list when they can come to us.

If your child is needing dental care, please contact the Mobile Clinic at Warkworth school.

Stationary

Please can we get these settled as soon as possible

Tauhoa School appreciates prompt payment. If making online payments please reference your child's name and what for. ie - Stat for stationery or camp for camp... If in doubt, ask at the office.

Thanks so much, Jody.
