Welcome to Melody and Harper and their families to our Tauhoa School community!!

Ngā mihi o te tau hou.

I caught up with a member of our community who gets all the messages for the FOTS team. She commented on the amazing amount of work that was being completed in order for the Ag Day and Gala could go ahead successfully.

It has been two years since our last Ag Day and Gala and it is quite a special and different event than some would imagine. I know that we have a large percentage of new parents that will not know what to expect, what this day is like and the amount of work it takes to set up organise and run.

It is the biggest day of the year of our school!. Our students have been working on creating art over the year to display and be judged. Plus the effort they put in raising animals to compete in the Calf Club section. Then they spent time, often with parents, organising and planning for the in-class activities for the Friday. These too are judged and certificates are awarded.

Attached is a Special Ag Day Tattler that goes over Ag Day to help those new to our school have a better idea about making this such a cool day..

### Lunch in School

Our chef has been busy organising and having the Ministry approve our menu.

Today was our first school-cooked meal.

For those who still choose to provide a lunch from home, please remember it has to meet healthy food standards. No chips and junk type foods.

We would encourage all our students to eat the meal provided for them at school.
